REGATTA PACKET

Waco, TX
October 10, 2026

Welcome

On behalf of Waco Rowing Center and RegattaPros, welcome to the 2026 Waco Rowing Regatta.

On Saturday, October 10, crews will return to the Brazos River for the fifth running of this distinctly Waco fall tradition. The 5,000-meter head race brings together Youth, U17, Novice, Collegiate, and Masters athletes for a full day of competition, with the finish line and heart of the regatta at Brazos Park East.

We're proud to welcome athletes, coaches, officials, families, volunteers, and rowing supporters to Waco. Whether this is your first time racing on the Brazos or an annual stop on your calendar, our goal is to deliver a regatta that is safe, fair, well organized, and genuinely enjoyable—from your arrival at the venue through the final stroke of the day.

By participating in this event, your team also helps support the mission and continued work of Waco Rowing Center. Your presence strengthens the local rowing community and helps Waco Rowing Center continue creating opportunities for people to experience, enjoy, and grow through the sport. We sincerely appreciate every program that chooses to race with us.

This experience is made possible by the combined efforts of Waco Rowing Center, RegattaPros, USRowing-licensed referees, event staff, and an outstanding team of volunteers.

This packet contains the information your program needs to prepare for the weekend. Please review it carefully, particularly the registration deadlines, Friday practice and parking procedures, race-day operations, and published course and traffic pattern. Sharing the relevant sections with your athletes, coxswains, and support staff will help everyone arrive ready to race.

Thank you for joining us and for supporting rowing in Waco. We look forward to welcoming you for another memorable day of fall racing on the Brazos.

See you at the river,

Regatta Director
RegattaPros

All racing will take place on Saturday, October 10.

Final Race Schedule

The final race order and start times will be developed after registration closes and will be based on the final entry count, event combinations, equipment-doubling considerations, and safe course operations.

An initial start list will be published by 6:00 PM on Thursday, October 8. Any required adjustments will be communicated to registered teams and reviewed during the virtual pre-regatta meeting.

Crews are responsible for monitoring the final published schedule and arriving at the start in the correct order and with sufficient time to travel from the launch area to the starting area.

Practice, Parking & Registration

Friday, October 9 is the official Parking and Practice Day.

Venue and trailer parking access will be available from 3:00–7:00 PM. Teams should plan their arrival so trailers do not arrive outside of these hours.

Official on-water practice will be available from 3:00–6:30 PM. All crews must follow the published practice traffic pattern and instructions from referees, marshals, and safety personnel.

The registration desk will be open from 3:00–7:00 PM for coach check-in and bow number pickup. Registration and bow number pickup will reopen at 6:30 AM on race morning.

Pre-Regatta Meeting

The Pre-Regatta Meeting will be held virtually on Thursday, October 8 at 7:00 PM Central. Sign-in using the Google Meet link below:

ENTRY INFORMATION

USRowing Membership

This is a USRowing sanctioned regatta. All organizations and athletes are required to meet USRowing's requirements for sanctioned regattas.

Per the USRowing "Sanctioned Regatta Guide":

- *MEMBERSHIP: Individual + Organization*
 - Participants must have either a Basic or Championship membership to participate. Entries with club affiliations must have current Organizational membership. Unaffiliated entries must have a Championship membership.
- *MEMBERSHIP AGREEMENT*
 - Every individual member must electronically sign the USRowing Agreement & Waiver. Members can log into their account, select "Sign Agreement & Waiver" from the landing page, check the box to agree to terms and conditions, and submit.
- *SAFESPORT SELF-ATTESTATION (18+)*
 - Every individual member who is 18 years old or older must self-attest whether they are a Relevant Adult Participant as defined in the USRowing Safe Sport Policy. To self-attest, log into your USRowing member portal account and complete the 3-question pop-up questionnaire.
- *SAFESPORT TRAINING*
 - All USRowing Relevant Adult Participants are required to take the 90-minute SafeSport Trained course. After that, you must complete a 30-minute Refresher course annually. If you're not a Relevant Adult Participant based on your self-attestation, you are not required to complete SafeSport training. Review our full Safe Sport Policy [HERE](#).

To avoid delays at registration, teams should make sure all competitors have met these membership requirements prior to arriving at the event.

Entry Information

Entries will be accepted through HereNow:

<https://herenow.com/registration/21407>

Standard registration opens August 24, 2026 and closes October 1, 2026 at 11:59 PM CDT.

Entries in each event will be accepted on a first-come, first served basis.

Payments may be delayed until the close of Standard Registration. All entry fees must be paid in fully by the close of Standard Registration on October 1.

Online late registration remains available through October 5, 2026 at 11:59 PM CDT.

Crews representing an organization with an outstanding balance will not be allowed to compete until the balance is paid in full.

Entry Fees

Boat Class	Standard Entry	Late Entry
8+	\$275	\$325
4+/-/x	\$195	\$230
2x/2-	\$140	\$180
1x	\$85	\$130

Refund Policies

- *Scratches*
 - Entries scratched prior to the Standard Registration deadline will receive a refund if they were paid in full. Those funds can also be credited towards another entry from the same organization.
 - Entries scratched after the Standard Registration deadline (October 1) are not eligible for a refund.
- *Adverse Weather Refund Policy*
 - As regatta organizers, our number one responsibility is the safety of the athletes, coaches, officials, volunteers, and spectators involved with the event.
 - Weather-related schedule changes or cancellations are typically done in order to avoid exposing competitors, officials, and volunteers to unsafe weather conditions. Decisions are made in consultation with the local organizing committee, USRowing-licensed Chief Referee, and any additional local officials with applicable jurisdiction.
 - Every effort is made to hold as many races as safely possible, which is why the priority process involves scheduling adjustments before resorting to cancellations.
 - However, in the event that events are canceled, or entries must be scratched due to schedule changes caused by weather conditions, we are not able to issue refunds for these situations.
 - Waco Rowing Center is a small, non-profit organization, and most regatta expenses are incurred whether the regatta is canceled or not. In order for us to continue to provide racing opportunities, we cannot provide refunds for weather-related cancellations.
 - We appreciate your understanding in these situations.

Late Entries

Late entries will be accepted through HereNow through October 5, 2026 at 11:59 PM CDT and are subject to the published Late Entry fee.

After October 5, late entry requests must be submitted at on-site registration.

No late entries will be accepted on race day unless specifically approved by the Regatta Director.

Scratches

Entries may be scratched without penalty through HereNow until October 1, 2026 at 11:59 PM CDT.

Entries scratched after the Standard registration deadline (October 1, 2026) are not eligible for a refund.

Lineups

All entries should include a full lineup of athletes at the time of registration.

The HereNow Personal Info deadline is October 5, 2026 at 11:59 PM CDT.

Any race-day lineup changes must comply with USRowing rules and be reported to Regatta Headquarters.

RACING INFORMATION

Definitions

- **Youth:** A Youth is a Competitor who in the current calendar year does not attain the age of 19, or who in the current calendar year does not attain the age of 20 and has been continuously enrolled in secondary school as a full-time student seeking a diploma. A Competitor thus ceases to be a Youth after December 31 of the year of their 18th birthday (U19), or upon completion of the 12th grade of secondary school, having been a full-time student within the year of their 19th birthday (U20). Athletes older than U20 are never eligible to compete as Youth.
- **U17:** A Competitor may compete in the U17 category until December 31 of the year of their 16th birthday
- **Novice:** All rowers in a crew must be new to competition, having not raced in any regatta prior to September 1, 2025. Coxswains do not have to be Novice coxswains.
- **Unaffiliated:** Competitors racing unaffiliated must meet the individual membership requirements listed in this packet.
- **Collegiate:** Open to crews representing a college or university, including club and varsity programs.
- **Masters:** Master: A Master is a Competitor who has attained, or will attain, the age of 20 during the current calendar year. A Competitor's age is determined as of December 31 of the current calendar year, rounded down to the nearest whole number. A Competitor thus becomes a Master on January 1 of the year of their 20th birthday. A Masters Crew shall be comprised exclusively of Masters Rowers, but the Coxswain need not be a Master. USRowing Masters eligibility and handicap rules will apply, with the addition of 20-year old competitors as part of the "AA" category.
- **Mixed:** A crew competing in a Mixed event must be 50% male and 50% female, not including the coxswain.

Composite Entries

Composite entries are accepted in all events at this regatta.

Crews, with the exception of single sculls (1x), wishing to compete with one or more “Unaffiliated” rowers would enter as a composite crew.

Crews may row under their club name with a coxswain from a different club (the boat will not be considered composite).

Composite crews will receive an exception from being required to wear matching uniforms.

Rules of Rowing

USRowing's 2026 Rules of Rowing will govern this event. An online version is available at <http://www.usrowing.org/rules-of-rowing/>

USRowing licensed referees will officiate the event to ensure fairness and safety.

The following rules will be waived for this event:

- Rule 3-104 Minimum Weight of Boats
- Rule 3-202 Oars
- Rule 4-103 (i) Eligibility to Compete in Events
- Rule 4-105.1 Coxswain's Weight
- Rule 4-106 Weighing of Competitors

Equipment

All equipment used in official practice sessions or competition must meet the USRowing Rules of Rowing requirements for equipment, with the exception of the waived rules listed above. Each organization is responsible for ensuring that their equipment meets these standards.

Any equipment not meeting these standards, or judged to be unsafe by a USRowing official, will not be allowed on the water.

Bow Numbers

Bow numbers will be distributed to each team in their team registration packets. Crews must collect their bow numbers from the registration desk before trying to launch.

Bow numbers must be returned when crews come off the water from their race.

Procedures

A marshal will be positioned near the start to direct crews to enter the course. Crews are responsible for staying in numerical order, staying behind crews with lower numbers and in front of crews with higher numbers.

Crews are responsible for maintaining their proper order and distance. Crews failing to maintain their proper position may be delayed, moved to the end of the starting order, penalized, or excluded.

A crew will be allowed to race as long as they are in the starting area and ready to race before the crew with the last bow number of the event has started.

Crews will start in 10-15 second intervals based on the instruction given by the Starter.

Referee or volunteer course monitors will be stationed along the course to monitor safety and fairness conditions and to assess any necessary penalties. The monitors have the discretion to assess the necessary penalty, or a stricter penalty, for a given infraction or circumstance within the Rules of Rowing.

Penalties:

- **Buoy violation - Oars**: Oars crossing the buoy line will result in a 10-second penalty. This can apply to either crews racing or crews traveling to the start.
- **Buoy violation - Shells**: Full shells crossing the buoy line will result in a minimum of a 60-second violation. This can apply to either crews racing or crews traveling to the start.
- **Failure to Yield** - A crew failing to yield to a passing crew once they are within one boat length will result in a 30-second penalty. See "Passing" section below.

Bridges Crossing Course

Be aware that multiple bridges cross the course. Know your course map to be sure of which bridge openings to use for the warm-up lane to the start, and for the racing lane back down the course.

Passing

A crew being overtaken must yield to allow the overtaking crew to pass.

Crews should yield as soon as it is safe to do so. Passing is not allowed, nor are crews required to yield, in cases where it is unsafe to do so or in situations where yielding would require them to go through a closed bridge arch.

Any crew failing to yield may be assessed penalties ranging from a time penalty to exclusion.

A crew is deemed to be overtaking another crew when it has moved to within one length of open water of the crew ahead.

Referees will give instruction in accordance with the USRowing Rules of Rowing.

Broken Equipment

A crew experiencing broken equipment during the race should move out of the racing lane as quickly as possible.

Bow Numbers

Bow numbers will be distributed to each team at the on-site Registration Desk. Crews must collect their bow numbers before trying to launch and must return them when they return to the dock.

Non-Masters Events:

Crews will be seeded randomly within Club Rank. All “A” crews will be randomly seeded first, followed by all “B” crews, then “C” crews, and so on.

Masters Events:

Masters crews will be seeded by average age, from youngest to oldest.

The published start order may be adjusted as needed by the Regatta Director and Chief Referee for safety, fairness, or operational considerations.

Medals

Medals will be awarded to the 1st, 2nd, and 3rd place finishers for all events.

Awards will be available for pickup at Regatta Headquarters after official results are posted.

Fastest Time of Day

The Waco Rowing Regatta will recognize the crew recording the fastest official raw time of the day. No handicaps applied.

Timing & Results

Electronic timing and results will be provided by HereNow and Rowing Mavens West.
